AA+

The Coxmate AA+ comes with plug in microphone, headband, battery charger, carry case, silicone grease and either waist strap/mount for Dragon Boat version or a 'donut' adaptor for Rowing – fits into NK 'cup'. Whilst simple to use it is well featured:

- Large capacity rechargeable battery storage (10x 800mAh NiMH batteries).
- Sophisticated battery management to increase battery life.
- Provides battery status in %
- Digital amplifier for increased run time
- Automatic power down if speakers are not connected – avoids accidental flattening of batteries.
- Automatic retention of volume setting when turned off/on.
- Short circuit protection of speaker output.
- Compatible with any of the Coxmate or Nielsen Kellerman ® speaker/loom systems
- Display shows rate and elapsed time – selectable.
- Provision of socket for connecting radio – enables coach to crew communication via AA+ and speaker system.
